## Dehumidifier Rebate

on ENERGY STAR® qualified models.

## Get more and save more with a \$25 mail-in rebate for the purchase of an ENERGY STAR qualified dehumidifier.

Did you know that an ENERGY STAR qualified dehumidifier can save the average household about \$20 per year? Over the life of the unit, that's more than \$220 in savings!

When you choose an ENERGY STAR qualified dehumidifier, you'll enjoy more than just energy savings and outstanding performance—you can get **\$25** back with the attached mail-in rebate from the BGE Smart Energy Savers Program®.

## Save now and for years to come.

ENERGY STAR qualified dehumidifiers have more efficient refrigeration coils, compressors, and fans that work to remove the same amount of moisture from the air as a similarly sized conventional unit.

But they do so while using 15% less energy.

In fact, the energy you'll save could power an ENERGY STAR refrigerator for 5 months!

For more ways to cut your energy use and save money with the BGE Smart Energy Savers Program, visit [BGESmartEnergy.com](http://BGESmartEnergy.com) or call **877.685.7377**.
